Report due date: [Date]

Awarded amount and date: [\$XXX,XXX to be disbursed from Date to Date]

Grant description: Though India's official illiteracy rate is 35%,¹ global experts believe that, especially in rural areas, illiteracy is far more prevalent than this statistic suggests.

Over 77 million women² live in rural areas in the northern state of Uttarakhand and India's South Zone.

This two-year grant will empower XXX women in Uttarakhand (formerly Uttaranchal), and X,XXX in the South Zone states of Andhra Pradesh, Karnataka, Kerala, and Tamil. Women will gain literacy, health information and general medical care, participate in self help groups and receive hope for a better life.

1. Compare original objectives/timeframes with actual results. Explain variances.

X,XXX of learners participated in your Uttarakhand literacy project held [Date to Date]. South Zone learners began their classes in [Date], and they will graduate in [Date].

To best illustrate the overall impact of your gift, quantifiable outcomes for **all classes** (Uttarakhand and South Zone) will be presented together in a final project report submitted in [Date]. Please be advised that, while we make every effort to keep our funders informed, field reports from rural areas can be delayed.

The final project report to [Name of Foundation] will highlight these measurable results:

- Percentage of students who attain a 5th grade literacy level
- Number of worship groups started through Adult Literacy training
- Number of learners who teach someone else to read (Each One Teach One)
- Number of Each One Teach One participants
- Number of learners who enroll their children in school for the first time
